SECTION 1 — SCHOOL OVERVIEW

About IAS International American School

IAS International American School is an internationally accredited school based in Dhaka, Bangladesh, offering students the opportunity to earn US and Canadian academic qualifications without leaving their home country. Operating within the Cognia Quality Assurance Framework, IAS delivers a rigorous international curriculum in partnership with accredited institutions in the United States and Canada.

IAS serves students in Grades 9 through 12 and provides pathways to university admission in the USA, Canada, and partner institutions across Europe and Asia.

Mission Statement

To provide students in Bangladesh with access to internationally recognized US and Canadian education, enabling them to pursue global university opportunities without the cost or disruption of relocating abroad.

Key Distinguishing Feature

No Need to Change Your School

Students from Bangla Medium and English Medium schools can enroll at IAS without leaving their current school. They simply take selected courses with IAS to earn a fully recognized US High School Diploma or OSSD (Ontario Secondary School Diploma) certificate — alongside their regular studies.

SECTION 2 — PROGRAMS & CURRICULUM

Program Overview

IAS offers two internationally recognized diploma programs for students in Grades 9–12, with a dual enrollment option and a university progression pathway.

1. US High School Diploma (MSA Accredited)

School: *Forward International Academy, Wisconsin, USA*

Accreditation: Cogna Quality Assurance Framework

Credits Required: 24 credits (Grades 9–12)

- Internationally recognized diploma issued directly from the Wisconsin, USA — not a local replica
- Subjects include: English, Mathematics, Science, Social Studies, and Elective courses
- Students may take selected courses without leaving their current Bangla or English medium school
- Credits are transferable internationally if the student relocates to the USA at any time
- Eligible for progression pathways to partner universities, including the University of Wisconsin, after completing required credits

2. OSSD — Ontario Secondary School Diploma (Canada)

School: *Red Deer Global Academy, Alberta, Canada*

Credits Required: 30 credits (Grades 9–12)

- Ontario Secondary School Diploma — globally accepted by universities in Canada, UK, and worldwide
- Subjects include: English, Mathematics, Science, Canadian History, Arts, and Electives
- Students may take selected courses without changing their current school
- Dual enrollment with the US High School Diploma is possible simultaneously
- Credits are transferable internationally

3. IVY Global School (Cogna recognized curriculum)

- Cogna-Accredited American Curriculum
- U.S. Standards-Based K–12 Education
- Internationally Recognized American High School Diploma
- Taught by U.S.-Licensed & Certified Teachers
- Advanced Placement (AP) Course Opportunities
- Personalized College & University Counseling
- Flexible Online & Blended Learning Options
- Serving 2,500+ Students Across 11+ Countries
- Globally Recognized University Pathways

4. International University Pathway

Students who complete the required credits at IAS are eligible for progression pathways to partner universities, including the University of Wisconsin (USA) and other institutions across the USA, Canada, Europe, and Asia. Credits are transferable internationally. No additional entrance examination is required for pathway progression.

Student Eligibility — Who Can Apply?

- Grade 8 to Grade 11 students (to enroll in Grades 9–12 at IAS)
- Students from Bangla Medium schools
- Students from English Medium schools
- Students from English Version schools
- Homeschool students

Students do not need to leave their current school to enroll at IAS.

Extracurricular Activities

- Indoor Playzone
- IELTS & Spoken English Course
- Parent Communication Course
- Leadership and Communication Skills Course
- Programming Languages (JavaScript, C++, Python)
